I’m fundraising to help London and Whipsnade Zoos care for their 30,000 amazing animals and continue their vital work to protect wildlife.

- £5 could buy a box of cabbages for the giraffes.
- £22 could feed all of London Zoo’s primates their daily fruit and veg.
- £100 could feed the lions tasty meat for ten days.
- £200 could buy vital equipment for ZSL’s team of vets, helping them to care for the animals.
- £50 could cover the cost of feeding the penguins at London Zoo their favourite fish for the day.
