I’m fundraising to help Whipsnade and London Zoos care for their 30,000 amazing animals and continue their vital work to protect wildlife.

- £5 could buy a box of cabbages for the giraffes.
- £10 could feed the majestic pride of lions for a day.
- £50 could cover the cost of feeding the penguins at Whipsnade Zoo their favourite fish for the day.
- £120 could buy large scales for our vets to weigh our animals during their routine health checks.
- £194 could feed an elephant for a week.
