Signatories to the climate change communiqué in alphabetical order:

Academy of Medical Sciences
Academy of Social Sciences
British Academy
British Ecological Society
Challenger Society for Marine Science
Geological Society
Institution of Civil Engineers
Institute of Physics
Institution of Chemical Engineers
Institution of Environmental Sciences
Learned Society of Wales
London Mathematical Society
Royal Astronomical Society
Royal Economic Society
Royal Geographical Society
Royal Meteorological Society
Royal Society
Royal Society of Arts
Royal Society of Chemistry
Royal Society of Edinburgh
Society for General Microbiology
Society of Biology
Wellcome Trust
Zoological Society of London

Spokespeople available for interview:

- Sir John Beddington, President of the Zoological Society of London
- Nick Bilham, Geological Society
- Dr Anthony Cohen, Geological Society
- Professor Camille Parmesan, British Ecological Society
- Dr Rachael Hall, Institution of Chemical Engineers
- Professor Neil Adger, Royal Geographical Society
- Professor Eric Wolff, Royal Society
- Professor Joanna Haigh, Royal Society
- Professor Lucy Carpenter, Royal Society of Chemistry
- Professor Nigel Brown, Society for General Microbiology

Paris climate conference

From November 30th to December 11th, governments will meet in Paris to negotiate a new legally binding international agreement on tackling climate change, applicable to all countries, with the aim of keeping global warming below 2 °C.
