Today you are going to learn about some of the animal groups in the world and how we classify animals into these groups.

My name is: 

Can you draw your route around the zoo on the map?
Animals that have bones inside their body can be split into five groups. How many from each group can you find at the zoo?

1. **Mammals** have hair
   - What mammals can you find at Whipsnade Zoo?

2. **Birds** have feathers
   - What birds can you find at Whipsnade Zoo?
