

ZSL Stamford Raffles Award Winners

- 2015** **Nick Tregenza**
for outstanding contributions to acoustic monitoring of cetaceans
- 2014** **Elise Andrew**
for significant contributions to science communication
- 2013** **David Mallon**
for significant contributions to antelope conservation
- 2012** **Stephen Petty**
for significant long-term monitoring and data collection that has contributed to our understanding of the ecology of tawny owl populations, their vole prey and other raptors
- 2011** **Dan Danahar**
for contributions towards the advancement of biodiversity education
- 2010** **Richard Lewington**
for contributions for wildlife illustration
- 2009** **Bob Swann**
for contributions to ornithology
- 2007** **Ted Benton**
for contributions to our knowledge on bees, butterflies and dragonflies
- 2006** **Peter Chandler**
for contributions to our knowledge of European diptera
- 2005** **Peter Grubb**
for contributions to mammalian systematics
- 2003** **Christopher du Feu**
for contributions to ornithology
- 2002** **Thomas Jones Roberts**
for furthering our understanding of wildlife in Pakistan
- 2001** **Norman Moore**

for research on the ecology and behaviour of dragonflies

- 1999 Edward Max Nicholson**
for life-long contributions to conservation
- 1998 Clive Carefoot**
for outstanding research on plumage genetics
- 1996 Norma Chapman**
for outstanding contribution to the knowledge of deer in Britain
- 1994 J Hall-Crags**
for long-standing contributions to the description of bird song
- 1993 W R P Bourne**
for contribution to the study of seabirds
- 1992 J D Summers-Smith**
for world-renowned work on sparrows
- 1990 D L Harrison**
for distinguished contribution to the study of mammals
- 1989 Major K W England**
for contribution to the taxonomy of tropical sea-anemones
- 1988 W F H Ansell**
for contribution to knowledge of the taxonomy and distribution of African mammals
- 1987 Fiona Guinness**
for contributions to research on red deer in the British Isles
- 1985 A F Millidge**
for distinguished contributions to arachnology
- 1984 W J Le Quesne**
for distinguished contribution to the taxonomy and biology of Hemiptera
- 1983 Major W D Gallagher**
for contributions to the ornithology of Arabia
- 1982 R M Gambles**
for distinguished work on Odonata

- 1981 Lt.-Col. A M Emmet**
for work on Microlepidoptera
- 1980 E H Eason**
for distinguished work on the taxonomy of centipedes
- 1979 S.M. Turk**
for contributions to the study of seahorse life and marine molluscs
- 1978 Jonathan Kingdon**
for contributions to the study of East African mammals
- 1977 Stanley Cramp**
for contributions to ornithology
- 1975 Lieutenant-Colonel J.N. Eliot**
for distinguished taxonomic work on Lepidoptera, particularly the family Lycaenidae
- 1974 A.E. Ellis**
for contributions to the study of molluscs
- 1973 G.H. Locket**
for contributions to arachnology
- 1972 L.G. Higgins**
for outstanding contributions to knowledge of Lepidoptera
- 1971 B.P. Hall**
for work on the taxonomy and zoogeography of African birds
- 1970 D.R. Rosevear**
in recognition of contributions to knowledge of West African mammalian fauna
- 1969 R.A. Jubb**
for contributions to southern African ichthyology
- 1968 Guy Mountfort**
for his contributions to the study of natural history
- 1967 Maxwell Savage**
for contributions to knowledge of the amphibians
- 1966 The Reverent E.A. Armstrong**
for contributions to ornithology
- 1965 Ernest Neal**

for contributions to mammalogy and entomology

- 1964 C.W. Wright**
for contributions to palaeontology
- 1963 Cyril Winthrop Mackworth Praed**
for contributions to ornithology
- 1962 R.E. Moreau**
for contributions to ornithology
- 1961 W.S. Bristowe**
for contributions to arachnology
