

## Winners of the ZSL Frink Medal for British Zoologists

- 2016**      **Professor Sarah Cleaveland FRS**, University of Glasgow, for outstanding contributions to the understanding of wildlife disease, and the dynamics, impacts and implications of infections in natural ecosystems
- 2015**      **Professor Peter W. H. Holland FRS**  
for outstanding contributions to our understanding of the evolution of animal diversity
- 2014**      **Professor Sir Patrick Bateson FRS**  
for outstanding contributions to ethology
- 2013**      **Professor Michael Akam FRS**  
for outstanding contributions to evolutionary developmental biology
- 2012**      **Professor Georgina Mace FRS**  
for outstanding contributions to conservation biology
- 2011**      **Professor Paul Harvey CBE FRS**  
for outstanding contributions to evolutionary biology and ecology
- 2010**      **Professor Ziheng Yang FRS**  
For outstanding contributions to our knowledge of molecular evolution
- 2009**      **Professor Charles Godfray FRS**  
for outstanding contributions to our knowledge of population and community ecology, and evolutionary biology
- 2008**      **Professor Chris Stringer FRS**  
for outstanding contributions to our knowledge of human origins
- 2007**      **Professor Tom Cavalier-Smith FRS**  
for contributions to our knowledge of cell and genome evolution, large-scale phylogeny and evolutionary transitions
- 2006**      **Professor Brian Charlesworth FRS**  
for his outstanding research in evolutionary genetics
- 2005**      **Professor Geoff Parker FRS**  
in recognition of his research into evolutionary processes
- 2004**      **Professor Malcolm Burrows FRS**  
in recognition of his research on the neuronal basis of behaviour.

- 2003**      **Professor Quentin Bone FRS**  
in recognition of his outstanding contribution to zoology.
- 2002**      **Professor Michael P. Hassell FRS**  
in recognition of his contribution to population ecology.
- 2001**      **Professor Nick Davies FRS**  
in recognition of his contribution to behavioural ecology
- 2000**      **Professor Richard Fortey FRS**  
in recognition of his contribution to palaeontology.
- 1999**      **Professor Linda Partridge FRS**  
in recognition of her contribution to evolutionary biology.
- 1998**      **Professor John H. Lawton FRS**  
in recognition of his contribution to ecological science and to science in public life.
- 1997**      **Professor T. H. Clutton-Block FRS**  
for setting new standards of design and analysis for using mammalian field studies to answer scientific questions.
- 1996**      **Professor J. R. Krebs FRS**  
in recognition of his outstanding role in the establishment and development of the discipline of behavioural ecology.
- 1995**      **Professor Sir Robert May FRS**  
for distinguished contributions to theoretical ecology.
- 1994**      **Professor M. F. Land FRS**  
for continued excellence in experimental work on vision.
- 1993**      **Professor R. M. Anderson FRS**  
for contributions to the fundamental theory of epidemiology and its application to the dynamics of disease transmission.
- 1992**      **Professor B. K. Follett FRS**  
for contributions to the understanding of photoperiodism.
- 1991**      **Professor R. A. Hinde FRS**  
for outstanding contributions to the biological study of animal and human behaviour.
- 1990**      **Professor W. D. Hamilton FRS**  
for distinguished contributions to evolutionary biology
- 1989**      **Professor J. Maynard Smith, FRS**  
for contributions to the theory of evolutionary biology, behavioural ecology and population genetics

- 1988**      **Professor A.J. Cain FRS**  
for contributions to the genetics of *Cepaea* and to the theory of evolution and taxonomy
- 1987**      **Professor Sir Eric Denton CBE, FRS**  
for distinguished contributions to marine biology, especially in its experimental aspects
- 1986**      **Dr Vera Fretter**  
for her contributions to the understanding of the developmental biology, physiological ecology and functional morphology of the prosobranch molluscs
- 1985**      **Professor J.D. Smyth**  
for distinguished contributions to parasitology
- 1984**      **Professor P.C.C. Garnham FRS**  
for distinguished contributions to malarial protozoology, in particular for work on the Haematozoa of mammals, birds and reptiles
- 1983**      **Dr Geoffrey Fryer**  
for contributions to the study of the evolution of Crustacea and of African freshwater fishes
- 1982**      **Professor J. M. Dodd**  
for distinguished contributions to zoology through research on endocrinology and through work to advance the organization and teaching of zoology in Britain
- 1981**      **Sir Eric Simth CBE ScD, FRS**  
for distinguished contributions to zoology through both research and administration
- 1980**      **Professor W. H. Thorpe FRS**  
for his work in the natural history and behaviour of animals, particularly birds and insects and for his contributions to the philosophy of zoology
- 1979**      **Professor V. C. Wynne-Edwards FRS**  
for services to general zoology and particularly to ornithology and its wider implications for population biology
- 1978**      **Professor Sir Vincent Wigglesworth CBE, FRS**  
for the contribution of his work on insect physiology and endocrinology to the general development of zoology
- 1977**      **Dr Sidnie M. Manton FRS**  
for the advances made by her towards the understanding of arthropod evolution
- 1976**      **Professor E. J. W. Barrington FRS**  
for distinguished services to zoology

1975

**Professor Alastair Graham**  
for distinguished services to zoology
