

| DAY 1 |                             | JUNIOR ZOO ACADEMY   |
|-------|-----------------------------|--|
| 10.30 | Meet the other kids         | Get to know each other and make yourself some name badges.                                     |
| 11.10 | Penguins<br>(outer windows) | We'll help the keepers and find out a bit more about these unusual birds.                      |
| 11.45 | Bird Feed                   | Time to scatter some food in one of our bird aviaries  |
| 12.15 | Lunch                       | A short lunch break to refuel for the afternoon.   |
| 12.45 | Rainforest Explorer         | A visit to the rainforest to meet some cheeky little monkeys and other rainforest inhabitants! |
| 13.20 | Break                       | Another quick break before...  |
| 13.30 | Bugs (education)            | Not everyone likes our creepy-crawlies, will you?  |
| 14.00 | Snakes                      | Lets meet one of our slithery residents  |
| 14.20 | Monkey jelly                | Time to make jelly enrichment  |
| 14.30 | Scrapbook                   | Time to start your scrapbooks so you can remember your time at the zoo!                        |

| DAY 2 |                    | JUNIOR ZOO ACADEMY  |
|-------|--------------------|---|
| 10.30 | Time to learn...   | ...what a zoo keeper does all day!                            |
| 11.00 | Break              | A quick drink before the tasks begin.                         |
| 11.10 | Zoo Trail!         | Who can find out the most? Can your team win?                 |
| 12.00 | Animals in Action  | Our animals can do extraordinary things!                      |
| 12.30 | Lunch              | Feeding time for you!   |
| 13.00 | Monkey Jelly       | Let's see if the squirrel monkeys like the jelly we made them |
| 14.00 | Rainforest monkeys | Time to finish the course with this special activity...       |
| 14.30 | Graduation         | Finish Off  |
