Welcome to the Zoological Society of London Library & Archives, containing a unique resource of books and journals about animals and their conservation.

ZSL Library is open from 9.30am to 5.30pm Monday to Friday.

ZSL Library is closed on all public holidays and at weekends.

Fellows must show their membership cards and sign in at the Library desk on arrival. All briefcases and bags must be left at the front desk for security reasons. Photography and filming are not usually allowed, please check with Library staff if you want to make arrangements for these.

Fellows may bring in accompanied friends/family.

Mobile telephones must be switched off or put on silent mode before entering the Reading Room and must remain off while in the Reading Room. Mobile telephones must not be used for making or receiving calls whilst in the Reading Room.

Fellows can use the Library and **borrow up to six books** at a time on production of their membership cards. Student Fellows may **borrow up to two books** at any one time.

Most books in the Library are available for loan except for the reference works and books published before 1940. We also lend some print journals. Manuscripts, drawings and prints are not available for loan.

Borrowers are personally responsible for the loss of, or damage to, any volume or other item while it is on loan from the Library. No book may be taken or sent to any place outside the United Kingdom. Please do not pass loaned items to another individual.

Books may be taken out for two months at a time and may be renewed in person, by email: **Library@zsl.org** or over the telephone if not required by another reader.

When an item on loan is required by another Library user, a recall note will be sent out. Fining will commence if the book is not returned within 14 days of the date recorded on the recall note.

Application to consult rare books and art works should be made in advance with the Library team. Rare books and art works may be consulted only at the large table near the desk of the Library staff on duty. If you wish to make notes when consulting a rare book, pencils must be used. Biro or ink pens must not be used.

A postal loan service is also offered. Books and journals for postal loan can be requested by email, by telephone or letter. In order to facilitate the above service the borrower's full name and membership number need to be quoted. The borrower is expected to acknowledge receipt immediately and will be invoiced for postage. Postal loans are sent by *Special delivery* which takes two days, there will be a charge to cover the cost of postage.

Works not held in the ZSL Library can often be borrowed from or copied by another library. There is a charge for this service.

Fellows should not return books or journals to the shelves but place them on the trolley situated at the side of the Library desk.

Do not over-reach when trying to obtain books from high shelves. Please ask for assistance when needed. Take care when using the kick-steps. Do not attempt to carry too many books at one time or over-reach.

Items not in the Reading Room can be fetched by Library staff but this is dependent on access and staff availability, we will of course attempt to retrieve items as soon as we can.

Readers must not use their own discs, USBs or software in any of the Library's computers.

Laptop computers may be used in the Library. ZSL reserves the right to undertake safety checks of readers' machines at any time. Wifi is available in the Reading Room, please ask the Duty Librarian for the password.
