OUR COVID-19 GUIDANCE

The safety and welfare of our visitors, staff and animals is always our top priority and we are taking every measure to ensure this. We are limiting the number of people who can visit so that we can safely manage people and enable social distancing between visitors, and between visitors and our staff. On your way around ZSL London Zoo, there are several measures in place to ensure that everyone remains safe. These include:

- One-way routes around London Zoo to help with visitor flow and to ensure social distancing
- Floor markings and reminder signs throughout the Zoos demarcating 2m distance
- Protective screens at contact point including at ticket checks and Member kiosks
- Hand-sanitiser/handwash stations at the entrances, exits and at regular stops around the Zoo
- Card or mobile device payments (e.g. Apple Pay, Google Pay) only, no cash will be accepted
- Talks and demonstrations cancelled until further notice to prevent over-crowding
- Regular cleaning carried out across the Zoos

You will find full information on our safety measures [here](#).

PLEASE DO NOT ATTEND OUR ZOO FOR YOUR EXPERIENCE IF YOU ARE SHOWING ANY SYMPTOMS OF COVID-19 WITHIN 2 WEEKS PRIOR TO YOUR BOOKING OR YOU ARE SELF-ISOLATING. IN THIS INSTANCE, WE CAN REBOOK YOUR EXPERIENCE.

Most people with coronavirus have at least one of these symptoms. These symptoms are:

- **A high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **A new, continuous cough** – this means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **A loss of change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything or things smell or taste different to normal.

What we've done to keep you safe on our experience...

Our lodges receive a deep clean with Safe4 disinfectant which has proven to kill the coronavirus on surfaces. Additional items, such as teas and coffees, have been removed but are available at your convenience. A full menu of items will be available for viewing in your lodge. Any touch points within the lodges such as light switches receive an additional disinfection clean. Hand sanitiser will be available throughout your experience and an en-suite bathroom in your lodge for handwashing and hygiene. Our towels and linens are sent off site to be professionally serviced.

Our tours have been adapted to ensure that you don't miss out on our exciting animal feeds whilst keeping both you and our animals safe. This includes ensuring that we can socially distance throughout the tours.

Our catering no longer involves buffets. Instead, we are offering a new dinner menu in an exciting location, at tables that are spaced according to government social distancing guidelines with table service to ensure we follow strict hygiene regulations. Please let us know which burger and sides you would like ahead of your experience by emailing experienceenquiries@zsl.org

ZSL endeavours to keep such changes to a minimum. Over the course of time, sometimes activities have to be changed and therefore may be different to what was advertised at the time of purchasing. In addition to this, ZSL London Zoo periodically hosts a number of events in our hospitality rooms throughout the year.
